

February 20, 2023

We are pleased to announce that the Corte Madera Women's Improvement Club will be again awarding our yearly community service scholarship(s) for young women from local Corte Madera-Larkspur high schools. All completed applications must be received by **April 1, 2023** to be considered for the scholarship.

In addition to filling out the one-page application we are also asking that students write letters describing their experiences of serving our community. We hope that this informal format will make it easy for students to describe their role, what their work in the community means to them, and how it has benefitted both the community and their own individual growth.

Applications should be emailed to [info@cortemaderawomensclub.org](mailto:info@cortemaderawomensclub.org) with **Scholarship Application** in the Subject line.

Please help us get out the word about the application process and the **April 1 deadline**.

Thank you,
