

February 8, 2022

To Julie Gannon and Becky Bjursten:

We are pleased to announce that the Corte Madera Women's Improvement Club will be again awarding our yearly community service scholarship(s) for young women. All completed applications must be received by **April 1, 2022** to be considered for the scholarship.

In addition to filling out the one-page application we are also asking that students write letters describing their experiences of serving our community. We hope that this informal format will make it easy for students to describe their role, what their work in the community means to them, and how it has benefitted both the community and their own individual growth.

Applications should be emailed to info@cortemaderawomensclub.org with **Scholarship Application** in the Subject line.

Please help us and your students by communicating with graduating senior girls about the availability of our scholarships and about the deadline of April 1, 2022. The club is set to provide two scholarships. The size of the awards varies, as we depend in part upon the success of our fundraising. Our major fundraiser for 2022 will be held in April, after which time we will determine the amount(s) of this year's students' awards.

Please help us get out the word about the application process and the **April 1 deadline**.

Thank you,

Helen Lambert, Jan Shaw, Janis Luft and Marion Bank
