How will you participate in our Women's Club in the coming year? There are so many opportunities to have fun with friends! Be sure to mark your calendar each week of the month with the Women's Club activities. Think about trying a new activity!

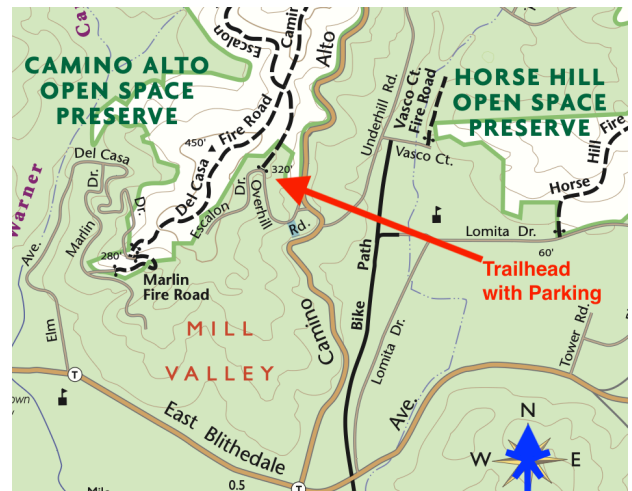

How will you support our Women's Club in the coming year? Just an hour or so of each person's support each month makes the Club a fun place for everyone! Some of the open positions include Hospitality (set up and/or post-luncheon support) and Field Trip Leader (there is already a list of ideas). Many of the Board members are interested in continuing their roles next year. Of course, anyone is welcome to step up and run for a Board position. Contact Laura Merlo (LauraMerlo@comcast.net) with any questions, or to have your name added to the candidate list. Voting takes place at the June meeting.
