A message from our President: Pamela Berg

**"There is a special place for women who support other women." It has been an honor serving all of you during the past year as your president. From our monthly luncheons with insightful speakers and delicious food to our successful Giant Indoor Yard Sale fundraiser to all of our club's activities, this has been a very full year!**

## **First Tuesday, 6/2/26: Special Meeting followed by Speaker Program**

All CMWIC members are cordially invited to the First Tuesday meeting on June 2, 2026, 10:45am - noon at the CM Community Center, where we'll have a discussion about club improvement, maintenance, and membership. We will discuss the current status of the club, ongoing challenges in club support, and options for changes within the club. Everyone is encouraged to attend the meeting and contribute to the discussion. Any final votes that may be required will occur at the June 9 monthly planning meeting.

## **Tuesday June 2, noon. Brown Bag Lunch & Speaker, Anne Crealock, MWPA, ADAPTING TO A FUTURE WITH MORE WILDFIRES**

At our First Tuesday Brown Bag lunch, (right after our special all - members meeting, at 10:45AM) we will have a talk from Marin Wildfire Prevention Authority, MWPA. We, in Marin, all voted a few years ago for a parcel tax (Measure C) to support fire prevention in our county, it won by an overwhelming majority, now you can hear directly of some of what they have done to keep us safe.

Anne Crealock is Planning & Program Manager of MWPA. She has worked in environmental planning, natural resources, climate adaptation & fire resilience and is also a trained wildland firefighter. Anne works with fire agencies and more to plan & implement wildfire resilient programs. She recently lectured at Sonoma State on the topic of the day: Adapting to a Future with More Wildfires.

Please come with your interest and questions. Hope to see you there! Check with me if you have questions. [SuzBeatie@gmail.com](mailto:SuzBeatie@gmail.com)
